Narcotic Medication Agreement & Consent Form

You have agreed to receive narcotics for the treatment of your pain from Dr. F. Abbasi, ("Pain Physician"). It is important that you have an understanding of the risks and your responsibilities that go along with this treatment. Please read and initial each statement to signify your understanding. If you have any questions regarding this information or our policy regarding the prescribing of narcotics, please request clarification.

I, _____ understand that:

CONSENT FOR TREATMENT: I voluntarily consent to the rendering of care, including treatments, administration of anesthetics and performance of diagnostic and/or surgical procedures. I understand that I am under the care and supervision of the attending Pain Physician and it is responsibility of the staff to carry out the instructions of Pain Physician.

RELEASE OF INFORMATION: The Physician may disclose all or part of the patient's record to any person or corporation which is or may be liable under a contract to the physician or to the patient or to the Health Care Financing Administration and/or the patient's attorney, for all or part of the physician's charges, including but not limited to, patient insurance companies, worker's compensation carriers, welfare funds, or the patient's employer if a worker's compensation case.

____ Any medical treatment is initially a trial and that continued prescription of narcotics is based on evidence of benefit. I understand that the goal of using narcotics is to increase my functional level and decrease my pain. If these goals are not achieved, the medication will be stopped.

____ I am aware that the use of such medicine has certain risks associated with it, including, but not limited to: Sleepiness or drowsiness, constipation, nausea, itching, vomiting, lightheadedness, dizziness, confusion, allergic reaction, slowing of breathing rate, slowing of reflexes or reaction time, kidney or liver disease, sexual dysfunction, physical or psychological dependence, tolerance to the pain relieving effects, addiction, withdrawal, and the possibility that the medicine will not provide complete relief.

____ The overuse or misuse of narcotic medication can result in serious health risks including respiratory depression (stopping of breathing) or even death.

____ This medication will be strictly monitored and my medications should be filled at the same pharmacy. Should the need arise to change pharmacies, our office must be informed. The pharmacy name and the location of the pharmacy that I have selected is:

Pharmacy _____ Phone# _____

____ I cannot receive medication by phone, nor may I call the office to have a prescription called in. Early refill requests will not be honored.

____ I am responsible for making & keeping schedule appointments. I also understand that it may take up to 2 weeks to make a regular follow up appointment.

____ I will take the narcotics medication *only as prescribed*. Any change must first be discussed and agreed upon with my Pain Physician.

____ I agree that only my Pain Physician will prescribe narcotic medication. I will *not* obtain or use narcotic or other controlled substances from any other sources. I will instruct my other physicians to confer with Pain Physician for any changes or need for additional narcotics medication. If it is brought to the attention of the clinic that other providers are prescribing medications for me, Pain Physician reserve the right to discontinue prescribing medications and/or discharge me from clinic.
